- Cancellation and Early Return.** If the Hirer cancels the Order after it has been accepted or fails to take delivery of the Equipment the Hirer must pay the Price to the Owner as liquidated damages. The Hirer is not entitled to any refund of the Price if it returns the Equipment before the Hire period ends.

The balance if any is refundable to the Hirer.
- Insurance.** The Hirer must maintain public liability insurance for \$10 million and property insurance for the full replacement value of the Equipment.  - Clause (a) does not limit the Hirer's liability for failure to return the Equipment.

 - because of breach of any statutory laws or regulations in connection with the use of the Equipment by the Hirer;
 - because of misuse, abuse, willful or malicious acts, negligent or reckless use or overloading of the Equipment;
 - because of disregard for instructions given to the Hirer by the Owner in respect of the proper use of the Equipment or in contradiction of the manufacturer's instructions if supplied with the Equipment at the time of hiring;
 - because of the unexplained disappearance of the Equipment;
